

Thank you for your interest in the full-time position of **Pastor of Worship & Discipleship** at Lakeside Covenant Church. Lakeside is a church plant that began in the Fall of 2017. We are a gathering of friends and neighbors in the Chanhassen-Chaska area who desire to create a place where we invite one another to **Belong** because we are loved by God, bring real questions, grow in faith, **Believe** in Jesus and **Become** more the people God dreamed us to be. We are passionate about our vision to Share Life—Pursue Jesus—Change the World. We believe we serve a big God who wants to do big things through the local church. We meet and gather at the Chaska High School Auditorium and love being in the community to meet real needs.

Worship at Lakeside doesn't begin and end on Sunday. We believe worship is our response to who God is and is expressed in many ways back to him. The role of the Worship Leader focuses on creating worship experiences that are both **faithful** and **approachable** for people who are both connected and unconnected to Christ. We are looking for a Worship Leader who is passionate about a **church planting environment**, who laughs hard, works hard and honors God with their life.

#### **Submitting an application for this position:**

- Résumé, including a comprehensive list of past/current ministry experience
- List of three (2-3) character references with contact info
- Brief narrative of your faith story and life in Christ.
- Sample video or Mp3 recording of worship leading and preaching

**Please return the above documents** by email to: [search@lakesidecov.org](mailto:search@lakesidecov.org)

#### **Submissions**

Interviews may be scheduled any time upon receipt of resumes.

Again, thank you for your prayerful consideration of this position. Grace and peace,

Steve Anderson, Lead Pastor
