

## Lakeside Covenant Church

**Job Title:** Worship Leader  
**Job Status:** Part-Time 20 hours  
**Reports to:** Lead Pastor

**Position Purpose:** Create and lead engaging worship experiences at Lakeside

Lakeside Covenant Church desires to create a culture of ministry that is both faithful and approachable so that people who are both connected and unconnected to Jesus will take next steps of faith. Our goal is to grow **deep** and **wide**. Ministry that helps us accomplish this is what we say “yes” to. We value experiences that will grow people’s faith beyond what might be comfortable and grow deeper in discipleship. We are also compelled to reach more people in our community with the Gospel to grow Lakeside wider through evangelism and outreach. There is a demand for people to know Jesus that is greater than the capacity of the local church. This is one of the reasons we felt compelled and called to start Lakeside Covenant Church.

The role of the Worship Leader focuses on leading others to live their lives like the lyrics of a song, continually praising God for His love and goodness and daily living fully devoted to Him. We are looking for a leader who is passionate about a church planting environment, who laughs hard and honors God with their life.
